Mr. L. V. Boardman

[Redacted]

Dear Mr. Boardman:

Allen W. Dulles, Director of Central Intelligence, has asked me to thank you for your letter of 2 February, and for your comments about recent published remarks by him on the subject of education and Communism.

The article to which you refer is presumably the selection of excerpts from an address made by Mr. Dulles last summer before the Veterans of Foreign Wars. I am enclosing a copy of the full text in which you might have a further interest.

As to your further question on that subject, in general, this Agency does not issue bibliographies or other publications in this important field. May I suggest that you inquire of the following:

Dr. Frank R. Barnett
Director of Research
Richardson Foundation
122 East 42nd Street
New York 17, N. Y.

Thank you again for your inquiry.

Sincerely,

Distri:
